

LIPOSUCTION TRAINING BY EDWARD M. ZIMMERMAN, MD

Cosmetic Surgeon, Private Practice

8660 W. Spring Mountain Road, Ste. 101, Las Vegas, NV 89117

Phone 702-360-6686 and Fax 702-360-0128

Edward M. Zimmerman, MD, graduated with departmental honors in Biology from The Johns Hopkins University and has a Masters in Physiology from Georgetown University. He received his medical degree from The George Washington University School of Medicine and Health Sciences, after which he completed a three-year residency in Family Medicine in Beaver, Pennsylvania, with a heavy emphasis on surgical procedures, emergency room and urgent care medicine. As faculty of that residency, he introduced the first outpatient CO2 laser to Western PA. He is a Fellow of the American Society of Laser Medicine and Surgery since 1994, member of the International Society of Laser Surgery, member of both the American and European Academies of Cosmetic Surgery and is currently the Vice President of the American Board of Laser Surgery. For over a decade, Dr. Zimmerman has served the cosmetic needs of the people of Las Vegas, performing in-office laser and liposuction procedures. He is on faculty at several institutions and has lectured nationally and internationally for nearly two decades. He is a life-long student, teacher and innovator who has a passion for Cosmetic Surgery.

ONE OR TWO-DAY LIPOSUCTION COURSES

Courses begin at 9:00 a.m. and vary in length according to the type and number of procedures. The didactic curriculum accommodates the needs of up to four participants at a time. A light breakfast is included, along with lunch and beverages. Surgical garments, gloves and eye protection are available at the office. Dress in the office is professional, but informal. Dr. Zimmerman performs at least one liposuction/CoolLipo case during each training. Attendees may see other parts of the practice (Botox, fillers, IPL, etc., if available). Limited hands-on experience may also be available.

The curriculum includes, but may vary according to the needs of the attendee(s):

- ❖ AACS Guidelines for Liposuction
- ❖ Patient Consultation, Evaluation and Surgical Alternatives and Options
- ❖ Liposuction Consent
- ❖ Anesthesia, Medications and Pharmacology
- ❖ Laser Safety and Review of Absorption Curves and Tissue Interactions
- ❖ Tumescent Anesthesia: Variations and Instrumentation including Power Infusers
- ❖ Tumescent Liposuction with and without CoolLipo: Instrumentation, Power Cannulas and Lasers
- ❖ Review of CoolLipo "Buttonology" and Photo-Acoustic vs. Photo-ThermoLysis Settings
- ❖ Photo-Documentation and Operative Flow Sheets and Reports
- ❖ Surgical Techniques and Access (by Area)
- ❖ Avoidance and Treatment of Complications
- ❖ Post Operative Care, Compression Garments and Patient Follow-Up
- ❖ Integration of Liposuction and the CoolLipo Laser into Your Practice
- ❖ Marketing and Patient Education

Additional items provided include a training manual, procedure DVD and reference materials.
